

25 September 1997

Yousef

Me, Anthony C Heaford

Yousef

Ramzi bin al-Shibh

By arrangement of the Hayel Saeed Anam Group HQ's (PO Box 5302 Taiz Yemen) managing director, Saeed Alrobaidi, this man came to my hotel and introduced himself as Yousef. Members of Khalid Sheikh Mohammed's terror cell, based in the HSA Group HQ, called Mr Alrobaidi 'the Chief'.

Yousef & I discussed the 1993 World Trade Centre bombing before I spoke about the ease with which a hijacked plane departing Logan airport Boston could be used as a kamikaze piloted missile to strike the WTC in Manhattan.
